THE EASTWELL MEMORIAL TROPHY (HT 7)

* * **Retired** * * Eastwell, a stunning tall dappled gray English Thoroughbred gelding, is shown here being ridden to a Preliminary level victory at Jackson Hole in 1985 by his former owner, Barbara Foose. Tragically, he died soon thereafter and a lovely sterling silver bowl was donated in his memory by his then owners, Dee and William Huddles of Upperco, to be won by the highest scoring MCTA member at Jackson Hole's Preliminary level. It was designated for Seniors only after a companion trophy was donated for Prelim-level Juniors in 1993 and has now been replaced by the Seneca Trophy.
