

Maryland Combined Training Association

THE MCTA JUNIOR HORSE OF THE YEAR TROPHY

Like the Schaurek and Laubach trophies for riders, MCTA established early on a high score trophy for horses that are member-owned and member-ridden and competing at the Training level or above at recognized events. At first it was for riders of all ages, but when a companion trophy was donated in 1992 this one was dedicated specifically to Juniors and Young Riders (and from 2025, Juniors only). Also in 2025, points from unrecognized events were allowed to be counted toward it.
