

Maryland Combined Training Association

THE CASTLEBAR MEMORIAL HORSE OF THE YEAR TROPHY

This trophy, donated by Linda and Walter Reynolds in memory of one of their beloved event horses, is limited to Senior member-owned and member-ridden mounts competing at and above Training level. Before 2025 points had to come from recognized events, but now those from unrecognized events are also acceptable. Before its donation in 1992 horses ridden by riders of all ages competed for the same Horse of the Year Trophy at the upper levels.
