THE SENECA TROPHY

The Seneca Trophy, donated by Dana Norquist in 2010, honors the much-loved and very versatile horse with whom she field hunted, trail rode, pleasure drove, and collected many championships in the hunter show ring. Seneca began eventing at the age of 18, and now enjoys a well-earned retirement. Like the Eastwell Trophy which it replaces, the Seneca Trophy rewards the Senior MCTA member with the best Preliminary level score at MCTA's Shawan Downs horse trials.
