THE REDMOND TROPHY

When MCTA added the Beginner Novice level to its annual recognized horse trials for the first time in 2013, Hannah Ong stepped up to donate this trophy in honor of Redmond, a Canadian Sport Horse gelding owned by Julia Wendell. Redmond competed through the Advanced/3-star Level with Julia and then through Training Level and in the jumper ring with Hannah before retiring from competition at Julia's An Otherwise Perfect Farm in Upperco, MD. The trophy is awarded to the MCTA Junior member who scores best in Beginner Novice competition.
