

Maryland Combined Training Association

THE SILVER VIEW FARMS TROPHY

Donated in 1986 by the Jim Miller family and named for their Westminster area farm, this trophy originally was for the MCTA Senior member with the best overall score at Jenny Camp but now it is specifically for the Novice level. The Millers were very active in MCTA for a very long time, with daughter Michelle competing quite successfully and father Jim serving as organizer for both the Jackson Hole and Jenny Camp events while becoming an outstanding cross country builder and early master of portable fences. His train has long been a favorite Jenny Camp jump and moved with the event from St. Timothy's to Tranquillity Manor.
