Maryland Combined Training Association

THE BLACKBERRY BOWL

Since 2023 this trophy is awarded to the MCTA member with the best score at the Starter level, but from 2019-2022 it was for the Elementary level and before that for the Introductory level—always at MCTA's starter horse trials. It was donated by the long-time organizer of that event when it was held in Upper Marlboro, Annie Compton, in memory of Blackberry, a true and devoted friend with whom she shared a love of the outdoors and the companionship of friends.
